APRIL 29 – MAY 13, 2023

Habitat for Humanity®

Seattle–King & Kittitas Counties

Nationally, more than 60% of Habitat partner households are women-led. Over half of Habitat's volunteer labor is provided by women.

Each year, we honor the central role that women play to **empower one another, make an impact, and change lives.**

Join us for our 16th annual Women Build to learn and share skills, support local women homeowners, and build up our community of King County women together.
