

WOMENbuild

OCTOBER 3-10, 2020

RESCHEDULED FOR OCTOBER 3-10, 2020

Nationally, more than 60% of Habitat partner households are women-led. Over half of Habitat's volunteer labor is provided by women.

Each year, we honor this central role that women play to **empower one another, make an impact, and change lives.**

Join us for the 13th annual Women Build to learn and share skills, support local women homeowners, and build up our community of King County women together.
