

## Have you considered including Habitat in your will or estate plans?

**When you make a gift to Habitat for Humanity Seattle-King County you become an integral partner in the mission of building strength, stability and self-reliance through shelter.** You can make a gift in your will, trust, or other account that becomes your personal legacy of changing the world through shelter. A legacy gift will ensure that your critical support will continue to help more local families build stable futures for years to come.

By joining the Habitat Legacy Society, you open the door to opportunity for families and individuals here in Seattle and King County. Most gifts will cost you nothing in your lifetime and may even earn some income.

Planned gifts include:

- Bequest by Will
- Life Insurance
- Retirement Assets
- Savings Bonds
- Donor Advised Funds
- Gift of Real Estate
- Gifts of Publicly-Traded Stock or Closely-Held Business Interests
- Charitable Remainder Trust
- Charitable Lead Trust
- Charitable Gift Annuity

You can give a gift of any amount, there is no minimum amount required, and you can change your beneficiaries at any time. We hope you'll join us in extending a hand up to families and individuals to a better, brighter future through homeownership.
