

NOVEMBER 8-11, 2023

Habitat for Humanity Seattle-King & Kittitas Counties provide volunteer experiences that bring together veterans, military families and their neighbors. These experiences not only help bridge the gap and ease the transition to civilian life with fulfilling community engagement, but also helps build the connections that are crucial to reaching the veteran community with information and resources.

Nearly 4 million veterans pay at least 30% of their income toward rent or mortgage, while more than 1.5 million pay at least 50%. As you can imagine, using half of your income to pay your rent or mortgage is an enormous strain on any budget.

Join us in early November for our annual Veterans Build to learn, share, and build together, and find out more about how you can help bring homeownership and affordable repairs to veterans in our community.
